Young Lives Head Teacher's Phone Survey 2020

Ethiopia and India final survey – English

Dialling page			
Interviewer: Please enter the following information before beginning the call.			
1.	**enum**	*Your name*	<open>
2.	**SCHLID**	*The School ID for the school you are calling*	<open>
3.	**schlnam**	*The name of the school you are calling*	<open>
4.	**htnam**	*The name of the head teacher*	<open>
5.	**htgen**	*The gender of the head teacher*	1. Male 2. Female 3. Other
Consent to take part			
Interviewer: Call the participant if this is a new phone call. *Interviewer: Read out if this is a new phone call:* Hello again, my name is [x] and I'm calling from [study partner] about the Young Lives follow up research. This is the survey about how the COVID-19 situation is affecting schools in [India: "Andhra Pradesh and Telangana" Ethiopia: "Ethiopia"]. *Interviewer: read out:* Do you have any questions you want to ask me? *Interviewer: Do not continue until all questions are addressed.*			
6.	**consent**	*Interviewer: Read out:* Are you happy to take part?	1. Yes 2. No [skip to goodbye page]
Consent to data matching and re-contact			
7.	**link**	Are you happy for the answers that you give to be linked to information collected about your school in 2016/17? *Interviewer: If participant says no, explain that they are still able to take part in the survey.*	1. Yes 2. No
8.	**recontact**	Are you happy for the research team to keep your contact details, in case they want to invite your school to take part in other research in the future? *Interviewer: If participant says no, explain that they are still able to take part in the survey.*	1. Yes 2. No

Introduction			
Thank you for agreeing to take part in this survey. As a reminder, if there any questions you don't want to or are unable to answer, we can skip them. During this conversation, please focus your answers as they apply to [India: "Secondary classes" Ethiopia: "Upper Primary"]. *Interviewer: Add if necessary:* [India: "By Secondary classes we mean grades 9-10." Ethiopia: "By Upper Primary we mean grades 5-8."]			
School background			
First I am going to ask you two basic questions about your school.			
9.	**stunum**	In the 2019-2020 [2012 in the Ethiopian calendar] school year, how many children were enrolled in "[India: "Secondary classes" Ethiopia: "Upper Primary"] in your school? *Interviewer: Add if necessary:* [India: "By Secondary classes we mean grades 9-10." Ethiopia: "By Upper Primary we mean grades 5-8."]	<numeric>
10.	**schtyp_i [India only]**	And what type of school is this? *Interviewer: Probe to code and select one*	1. Central Govt 2. State Dept of Education 3. Local Body 4. Tribal/Social Welfare 5. Madrasa 6. Private Aided 7. Private Unaided 8. Other
	schtype_e [Ethiopia only]	And who is this school owned and operated by? *Interviewer: Probe to code and select one*	1. Government 2. Community 3. Private or independent company 4. Faith-based organisation (e.g. church) 5. NGO 6. Other
Support offered to teachers during school closures [Ethiopia only]			
The next questions are about any support that you are offering teachers during the Covid-19 school closures.			
11.	**teachyn [Ethiopia only]**	Have you been supporting teachers during the coronavirus crisis in order to keep children's education going while schools are closed?	1. Yes 2. No [skip to question 19 – support for students and families]
12.	**teach_med [Ethiopia only]**	Through what medium have you mainly contacted teachers during the school closures?	1. Facebook 2. Messenger (Telegram, Viber, IMO, WhatsApp etc.) 3. Email

		Interviewer: Probe to code and select one	4. Letter (postal) 5. Phone call 6. Text message 7. Noticeboard 8. Face to face
We're interested in what types of support you have offered teachers.			
13.	**teach_couns [Ethiopia only]**	Have you offered guidance and counselling?	1. Yes 2. No
14.	**teach_radio [Ethiopia only]**	Have you offered guidance on how to use radio to support students' learning at a distance?	1. Yes 2. No
15.	**teach_tv [Ethiopia only]**	Have you offered guidance on how to use TV to support students' learning at a distance?	1. Yes 2. No
16.	**teach_notech [Ethiopia only]**	Have you offered guidance on how to support students who do not have access to technology?	1. Yes 2. No
17.	**teach_assess [Ethiopia only]**	Have you offered guidance on how to assess students' progress remotely?	1. Yes 2. No
18.	**teach_plat [Ethiopia only]**	Have you offered guidance on how to use platforms for sharing information (E.g. Whatsapp, Telegram, etc.)?	1. Yes 2. No
Support offered to students and families during school closures			
The next questions are about the teaching and support that you are offering students and their families during the Covid-19 school closures.			
19.	**learn_online**	First, has your school been offering online teaching during the school closures?	1. Yes 2. No
20.	**learn_record**	Has your school been providing recorded lessons?	1. Yes 2. No
21.	**learn_phone**	Has your school been supporting learning through phone or video calls with students?	1. Yes 2. No
22.	**learn_text**	Has your school been supporting learning through Whatsapp [Ethiopia: "Viber"] or text messaging?	1. Yes 2. No
23.	**learn_book**	Has your school been providing access to physical resources like books, textbooks, worksheets, or assignments?	1. Yes 2. No
24.	**learn_tv**	Has your school been encouraging students to watch lessons that are available on TV?	1. Yes 2. No

25.	**learn_radio**	Has your school been encouraging students to listen to lessons on the radio?	1. Yes 2. No
26.	**learn_net [India only]**	Has your school been encouraging students to watch lessons that are available on the internet, for example on YouTube?	1. Yes 2. No
27.	**learn_other**	And has your school been supporting students' learning in any other ways during the school closures?	1. Yes 2. No
Turning now to students' wellbeing.			
28.	**well_phone**	Has your school been supporting students' wellbeing through phone or video calls?	1. Yes 2. No
29.	**well_text**	Has your school been supporting students' wellbeing through Whatsapp or text messaging?	1. Yes 2. No
30.	**well_other**	And has your school been supporting students' wellbeing in any other ways during the school closures?	1. Yes 2. No
31.	**parent**	Has your school been providing any support for parents or other adults with responsibility for your students during the school closures?	1. Yes 2. No
32.	**support_any**	*Interviewer: Do not read out: Did the head teacher say that the school is offering any support for students or families?*	1. Yes 2. No [skip to Q44 – teachers' working hours]

Reach of support			
33.	**support_perc**	Thinking about all of the support you've mentioned, roughly what percentage of students or families in [India: "Secondary classes" Ethiopia: "Upper Primary"] has the school been in contact with during the school closures? *Interviewer: Probe to code and select one* *Interviewer: Add if necessary:* [India: "By Secondary classes we mean grades 9-10." Ethiopia: "By Upper Primary we mean grades 5-8."]	1. 0% - Not reaching any students / families 2. 1- 25 % 3. 26 - 50% 4. 51-75% 5. 76 – 99% 6. 100% - Reaching all students / families
Targeting of support			
We are also interested in whether any of the support that you have been offering students or families has been focused on reaching particular groups.			
34.	**target_weak**	Has any of the support been targeted at weaker learners?	1. Yes 2. No
35.	**target_high**	Has any of the support been targeted at the highest attaining learners?	1. Yes 2. No
36.	**target_dropout**	Has any of the support been targeted at students at risk of dropping out of school?	1. Yes 2. No
37.	**target_exams**	Has any of the support been targeted at students who will sit [India: "Board" Ethiopia: "National"] exams next year?	1. Yes 2. No
38.	**target_disab**	Has any of the support been targeted at students with disabilities?	1. Yes 2. No
39.	**target_poor**	And has any of the support been targeted at students from poorest households?	1. Yes 2. No
Staff involved in providing support			
The next questions are about which school staff are involved in providing academic and wellbeing support for students.			
40.	**involv_ht**	Are you (the head teacher at your school) involved in providing support? *Interviewer: Probe to code and select one*	1. Yes – both academic and wellbeing support 2. Yes – academic support only 3. Yes – wellbeing support only 4. No

41.	**involv_teach**	Are teachers involved in providing support? *Interviewer: Probe to code and select one*	1. Yes – both academic and wellbeing support 2. Yes – academic support only 3. Yes – wellbeing support only 4. No
42.	**involv_staff**	Are any other school staff involved in providing support? *Interviewer: Probe to code and select one*	1. Yes – both academic and wellbeing support 2. Yes – academic support only 3. Yes – wellbeing support only 4. No
43.	**involv_oth**	Are any other people (e.g. volunteers) involved in providing support? *Interviewer: Probe to code and select one*	1. Yes – both academic and wellbeing support 2. Yes – academic support only 3. Yes – wellbeing support only 4. No
Staff working hours			
44.	**staffhr**	On average, would you say your staff are working more, less or the same number of hours per week during school closures compared to when school is open? *Interviewer: Probe to code and select one*	1. More 2. Less 3. The same 4. Staff are not working at all during the closures
Guidance received			
45.	**guidance_***	Have you received guidance or training on how to support students' learning during the school closures from any of the following organisations? *Interviewer: Probe to code and select all that apply*	India: 1. The national government 2. The state government 3. The school management body 4. The school's teacher-parent committee 5. Any other organisation 6. No, have not received any guidance [exclusive code]
			Ethiopia: 1. The federal government 2. The regional education bureau 3. The woreda education office 4. The municipality 5. The school's teacher-parent committee 6. Any others 7. No, have not received any guidance [exclusive code]
46.	**report_req [Ethiopia only]**	Is the school required to report school activities to the government during the school closures?	1. Yes 2. No
47.	**report_mat [Ethiopia only]**	Do you report information about the number of students who	1. Yes 2. No

		received the learning materials (e.g., worksheets, hand-out notes, assignments, etc)?	
48.	**report_sub [Ethiopia only]**	Do you report information about the number of students submitting their assignments	1. Yes 2. No
49.	**report_teach [Ethiopia only]**	Do you report information about teachers' engagement with distance learning	1. Yes 2. No
50.	**report_par [Ethiopia only]**	Do you report information about contact between the school and parents?	1. Yes 2. No
Challenges faced			
51.	**chal_***	Are you experiencing any of the following challenges in supporting students' learning during the school closures? *Interviewer: Read out and select all that apply*	1. Students not having the technology they need (for example a phone, a computer or access to the internet) 2. Staff not having the technology they need (for example a phone, a computer or access to the internet) 3. Students not having the skills they need to use technology 4. Staff not having the skills they need to use technology 5. Students not having good enough internet connection 6. Staff not having good enough internet connection 7. Difficulties delivering physical resources like books, textbooks or worksheets 8. Students having other responsibilities (for example caring for children or relatives or paid work) 9. Staff having other responsibilities (for example caring for children or relatives or paid work) 10. Limited parental support for learning 11. Limited student motivation 12. Limited staff motivation 13. None of the above [exclusive code]
School feeding programmes			

52.	**meals_usual**	[India: "Does your school normally provide school meals when you are open?" Ethiopia: "Did this school have a school feeding programme before schools closed?"]	1. Yes 2. No [skip to Q54 school fees]
53.	**meals_now**	Are students receiving school meals [India: "or dry rations"] during the school closures? *Interviewer: Probe to code and select one*	1. Yes – we are providing food 2. Yes – another organisation is providing food 3. No – students cannot access meals or rations during the school closures
School fees			
54.	**fees_usual**	Does your school normally charge [Ethiopia: "tuition"] fees when you are open?	1. Yes 2. No [skip to Q56 teacher salaries]
55.	**fees_now**	Is your school charging fees during the school closures? *Interviewer: Probe to code and select one* *Interviewer: If the school charges fees once a year, check whether these will be refunded and select the appropriate answer (1. If they will not be refunded, 2. If they will be partly refunded for the time the school was closed and 4. If the they will be fully refunded).* *Interviewer: Add if necessary:* I want to remind you that only researchers at [study partner] and the University of Oxford will see your answers. They will use the answers that you and other schools give to write a report about the COVID-19 situation and the report won't include your name of the name of the school.	1. Yes, students are still paying the usual fees 2. Yes, students are still paying fees but at a reduced rate 3. Students are able to defer fee payments but we are still charging fees 4. No, students are not being charged while school is closed

Teacher salaries			
56.	**salaries**	Are teachers in your school still receiving their salaries during this period of school closures? *Interviewer: Probe to code and select one* *Interviewer: If there has been any delay to teachers' pay, select option 3.* *Interviewer: Add if necessary:* I want to remind you that only researchers at [study partner] and the University of Oxford will see your answers. They will use the answers that you and other schools give to write a report about the COVID-19 situation and the report won't include your name of the name of the school.	1. Yes, they are receiving their usual salaries 2. Yes, but they are receiving less money than usual 3. No, salaries have been deferred and will be paid at a later point 4. No, teachers will not be paid for this period
Impacts on learning			
The next questions are about how you expect students in [India: "Secondary classes" Ethiopia: "Upper Primary"] to be affected by the school closures.			
57.	**learningyn**	First, do you expect students' learning to be affected by the school closures? Interviewer: Read out and select one	1. Yes 2. No [skip to Q60 risk of dropout]
58.	**learning_***	Do you expect any of the following groups of students' learning to be particularly affected by school closures? *Interviewer: Read out and select all that apply*	1. Students from the poorest households 2. Girls 3. Boys 4. Weaker learners 5. The highest attaining learners 6. Over-age students 7. Students with disabilities 8. [Ethiopia only: "Children from pastoralist communities"] 9. Rural students 10. None of the above [exclusive code]
59.	**area**	What area of learning do you believe will be most affected by the school closures? *Interviewer: Read out and select one*	1. Reading 2. English proficiency 3. Mathematics skills 4. ICT skills 5. Motivation for learning 6. Discipline

60.	**dropoutyn**	And do you expect any students to drop out of school because of the school closures?	1. Yes 2. No [skip to Q62 options for when schools reopen]
61.	**dropout_***	Do you expect any of the following groups of students to be particularly at risk of dropping out because of the school closures? *Interviewer: Read out and select all that apply*	1. Students from the poorest households 2. Girls 3. Boys 4. Weaker learners 5. Over-age students 6. Students with disabilities 7. [Ethiopia only: "Children from pastoralist communities"] 8. Rural students 9. None of the above [exclusive code]
Options for when schools reopen			
The next questions are about options that you might have when schools reopen.			
62.	**distance**	When your school reopens, are you planning to make any changes so that students and staff can stay a safe distance from each other? *Interviewer: Read out and select one*	1. Yes 2. No - I don't think it will be possible for staff and students to keep a safe distance [skip to Q64 options for catching up] 3. No - Staff and students will be able to keep a safe distance without making any changes [skip to Q64 options for catching up]
63.	**distance_***	What changes are you planning to make so that students and staff can stay at safe distance from each other? *Interviewer: Read out and select all that apply*	1. Building additional classrooms 2. Rearranging classroom layouts (e.g. separate chairs 1m from another) 3. Phased/staggered return of grades 4. [India only: Running schooling in shifts so that fewer children attend at one time] 5. [Ethiopia only: New shift cycle: Half day] 6. [Ethiopia only: New shift cycle: Alternate weeks] 7. Initially reopening for learners who are most likely to fall behind 8. Teaching outside instead of in classrooms 9. Something else
64.	**catchup_hol**	Are you planning to offer teaching during school holidays to catch up on missed learning?	1. Yes 2. No

65.	**catchup_we**	Are you planning to offer teaching at weekends to catch up on missed learning?	1. Yes 2. No
66.	**catchup_day**	Are you planning to add more hours to the school day to catch up on missed learning?	1. Yes 2. No
67.	**catchup_curr**	Are you planning to reduce the amount of curriculum content to be covered because of lost time?	1. Yes 2. No
68.	**catchup_tut**	Are you planning to offer extra tuition for pupils most affected by the school closures?	1. Yes 2. No
69.	**catchup_oth**	Are you planning to do anything else to make up for lost learning during the school closures?	1. Yes [specify] 2. No
70.	**sanit**	Will your school have water and soap or hand sanitizer for students to maintain good hygiene once the school reopens?	1. Yes 2. No
Final reflections			
The final set of questions is about your priorities and concerns at the moment.			
71.	**conf_learn**	How confident are you that your school is able to support students' learning during the school closures? *Interviewer: Read out and select one*	1. Very confident 2. Somewhat confident 3. Not confident at all
72.	**conf_well**	How confident are you that your school is able to support student wellbeing during the closures? *Interviewer: Read out if necessary and select one*	1. Very confident 2. Somewhat confident 3. Not confident at all
73.	**conf_info**	How confident are you that you are able to access the information you need to make decisions during closures and when schools reopen? *Interviewer: Read out if necessary and select one*	1. Very confident 2. Somewhat confident 3. Not confident at all
74.	**conf_catchup**	How confident are you that students will be able to catch up on any learning lost due to the school closures? *Interviewer: Read out if necessary and select one*	1. Very confident 2. Somewhat confident 3. Not confident at all
75.	**conf_fin**	How confident are you that your school will survive any financial impact from the school closures?	1. Very confident 2. Somewhat confident 3. Not confident at all 4. [India only: "Not applicable"]

		Interviewer: Read out if necessary and select one Interviewer: IF NECESSARY: I want to remind you that only researchers at [study partner] and the University of Oxford will see your answers. They will use the answers that you and other schools give to write a report about the COVID-19 situation and the report won't include your name of the name of the school.	
76.	**freedom**	How much freedom do you feel you have to make decisions about your school and provision for students during the school closures? *Interviewer: Read out and select one*	1. A lot [skip to Q78 biggest priority] 2. Some 3. None
77.	**free_***	Why do you feel that your freedom to make decisions is limited during the school closures? *Interviewer: Read out and select all that apply*	1. School governance structure 2. Government instructions 3. Limited resources 4. Some other reason [specify]
78.	**priority**	And finally, which of the following would you say is your biggest priority right now? *Interviewer: Read out and select one*	1. The financial sustainability of your school 2. Supporting students 3. Supporting staff 4. Being able to reopen the school in a way that means staff and students can keep a safe distance and maintain good hygiene, to reduce the spread of Covid-19 5. Helping students and teachers to feel confident about reopening the school
