SAY: YL Child´s name don´t worry, your decision is absolutely free and voluntary, we understand and respect it. It is necessary that you know that choosing not to participate in this survey doesn´t affect at all your link with Young Lives because you are still an important part of the study until you decide. That is why is important and necessary that you know that between November and December, I will call you again to invite them to participate in a survey with questions related to the Covid-19 / Corona virus, the COVID-19 Response and the national emergency, and its effects on the health, education, economy and work of each young participant and their household's. The entire survey takes approximately 30 minutes. As always, the survey will be done with the consent of each young person and on the day and time that (he / she indicates?) is most convenient for them according to their activities….

I will give you a much broader and more detailed explanation so that you can freely decide whether or not you want to participate in the aforementioned survey.

At the moment, I can tell you that it has been very good for me to meet and talk with you.

Thank you very much for your attention and remember that in between November and December, I am calling you again.

SAY: You will remember that whenever we have visited you, at the end of the interview, in gratitude to the time that you have given us to answer all the questions, we have given you a money purse, vanity bag, etc; right?

At the end of this call you will be given the reward we mentioned since the first time we called you. As it is not possible to visit the participants in their homes, we will not be able to personally carry and deliver any presents, so, only for this time, all participants will be given Rs. 600, which is the approximate equivalent to the value (cost) of the present, as we anticipated to you in the previous call.

Would you prefer to receive the Rs. 600, now or in November, at the end of the survey?"

SAY: YL Child´s name don´t worry, your decision is absolutely free and voluntary, we understand and respect it. It is necessary that you know that choosing not to participate in this survey doesn´t affect at all your link with Young Lives because you are still an important part of the study until you decide. That is why is important and necessary that you know that between November and December, I will call you again to invite them to participate in a survey with questions related to the Covid-19 / Corona virus, the COVID-19 Response and the national emergency, and its effects on the health, education, economy and work of each young participant and their household's. The entire survey takes approximately 30 minutes. As always, the survey will be done with the consent of each young person and on the day and time that (he / she indicates?) is most convenient for them according to their activities….

I will give you a much broader and more detailed explanation so that you can freely decide whether or not you want to participate in the aforementioned survey.

At the moment, I can tell you that it has been very good for me to meet and talk with you.

Thank you very much for your attention and remember that in between November and December, I am calling you again.

SAY: You will remember that whenever we have visited you, at the end of the interview, in gratitude to the time that you have given us to answer all the questions, we have given you a money purse, vanity bag, etc; right?

At the end of this call you will be given the reward we mentioned since the first time we called you. As it is not possible to visit the participants in their homes, we will not be able to personally carry and deliver any presents, so, only for this time, all participants will be given Rs. 600, which is the approximate equivalent to the value (cost) of the present, as we anticipated to you in the previous call.

Would you prefer to receive the Rs. 600, now or in November, at the end of the survey?"
