As I mentioned at the beginning, this time we can't visit the participants in their homes, so, only for this time, each participant will be given Birr 100 or Mobile card which is the approximate equivalent to the value of the money.

The delivery of the money would be made by means of a "Money Order" by Commercial Bank of Ethiopia or any other bank that the participant indicates, so that they can collect it from there. Or if you don't have access to a Bank we may send you mobile card equivalent to the money. Or if you prefer to receive the money, we can send you the amount through our local guide. Please let us know your preference.

Now, before I say goodbye, I would like to verify your address and your contact numbers. -> Go to next section (Locating Information)

This will be the last time we call you this year. In 2021 we hope to be able to contact you again, and, if the situation improves, we hope to visit you, as we had originally planned to do this year. If at any time you wish to contact us, remember that our telephone numbers and emails are on the last page of the Consultation Guide.

SAY: You will remember that whenever we have visited you, at the end of the interview, in gratitude to the time that you have given us to answer all the questions, we have given you a small amount of money or transferred mobile card, right?

As I mentioned at the beginning, this time we can't visit the participants in their homes, so, only for this time, each participant will be given Birr 100 or Mobile card which is the approximate equivalent to the value of the money.

The delivery of the money would be made by means of a "Money Order" by Commercial Bank of Ethiopia or any other bank that the participant indicates, so that they can collect it from there. Or if you don't have access to a Bank we may send you mobile card equivalent to the money. Or if you prefer to receive the money, we can send you the amount through our local guide. Please let us know your preference.

Now, before I say goodbye, I would like to verify your address and your contact numbers. -> Go to next section (Locating Information)
