Introduction		

Field	Question	Answer		
intro_text	**ENUMERATOR: Start the dialogue with the YLs respondent as follows:** **SAY:** Hello. Good (morning/ afternoon/ night), (are you/ is this) [name]? Hi, I am [fieldworker_name], of the Young Lives Study. The last time (I/ we) talked to you over the phone was back in 2020, how are you? On that occasion, we told you that we would contact you again this year to know about you and your family; and if the situation had improved, we were hoping to visit you, as we had originally planned to do last year. However, we are still experiencing a risky situation and, to our regret, we are once again unable to visit you due to the (Health Emergency/Coronavirus/COVID-19). We hope that you and your family are safe and that this situation will get better soon. As you may understand, you and every YL participant are adults now. Some are still living with their parents and siblings, but others are living on their own or have moved for different reasons. The main purpose of this call is to ask you some questions about your current household composition and update this information. We won't take longer than 15 minutes in this call. As always, all the information that you share with me is strictly confidential (as it has been in the past).			
CNSNT1COV4 *(required)*	**SAY:** [name], do you agree? Will you give me your consent to ask you these questions and update the data/information we have about you?		1	Yes
			0	No
			2	YL Child has died

Field	Question	Answer		
WHYNOPRTCOV4 *(required)*	**SAY:** Why don't you want to participate? *Enumerator: mark what the respondent is saying and DO NOT read the options*		1	Doesn't have time/can't do it because he/she has to go to study, to work etc.
			2	He/she has doubts and/or doesn't trust regarding the information they will give
			3	He/she is going through an emergency/very delicate situation (health, economic or other type of emergency, specifying whether it is personal or related to the family)
			4	He/she is no longer interested in participating in the study. ENUMERATOR: Give this as a last resort. This might mean that they do not want to be part of call 4 only, or want to withdraw from the phone survey (call 4 and call 5) or from the study altogether. Please take note of the reason for withdrawal and follow the next steps.
CNSNT2COV4 *(required)*	**ENUMERATOR:** Explain that you can call again on a day and time that is more convenient for him/her...and also, mention again that it will be a conversation of no more than 15 minutes. **SAY:** Would you like to participate? Do you give us your consent to go ahead on the date and time that is more convenient for you?		1	Yes
			0	No

Field	Question	Answer
CNSNT3COV4 *(required)*	**ENUMERATOR:** Explain again the purpose of the conversation and the confidentiality of the information they share with YL. Explain that the information and data collected will only be accessed by researchers and people in charge of the study, and that they won't be able to directly identify each participant, as the data is strictly anonymized. Additionally explain that this data is relevant to be able to communicate with them again, visit them when there is no risk to do so or send them information, etc. **SAY:** What do you think? Would you like to participate?	1 Yes 0 No
CAUSEDTHCOV4	SAY: We are very sad to hear the news that [name] has passed. We are very sorry for your loss. We are very thankful that he/she was part of the YL study for more than 20 years. It was a pleasure getting to know him/her and his/her family during this time. Enumerator: If possible, in a delicate manner try to find out the YL Child's main cause of death or other information related to the YL Child's death and include details in the text box below. SAY: I am sorry again for your loss and wish you and your family all the best at this difficult time. Goodbye.	

Field	Question	Answer
FAREWELL1	**SAY:** [name], don't worry, your decision is absolutely free and voluntary, we understand and respect it. It is necessary that you know that choosing not to participate in this survey doesn´t affect at all your link with Young Lives. This phone survey is now concluded but you are still an important part of the study until you decide not to be. That is why it is important and necessary that you know that, between October and December, I will call you again to invite you to participate in a new phone survey with questions related to you and your household, on the topics of education, health, employment, and wellbeing. The entire survey will take approximately 30-45 minutes. As always, the survey will be done with the consent of each young person and on the day and time that he/she indicates is most convenient for them according to their activities. **SAY:** [name], you will remember that whenever we have visited you, at the end of the interview, in gratitude for the time that you have given us to answer all the questions, we have given you a money purse, vanity bag, etc., right? **SAY:** Since the situation is still difficult and it is still not possible to visit the participants in their homes, we will not be able to personally carry and deliver any presents. So, as we did last year, at the end of the following survey, all participants will be given Rs. 600, which is the approximate equivalent to the value (cost) of the present. (The amount will be sent through any nationalised banks by RTGS or if you don't want to give us your bank account or you don't have one, we will send the amount by "Money Order" and it will take 4 or 5 days to reach you through Post office. In both cases we will send a photo copy of the receipt]. Please let us know your preference.) **SAY:** This is the information that I wanted to give you. When I call you back between October and December, I will give you a much broader and more detailed explanation so that you can freely decide whether or not you want to participate in the aforementioned survey. **SAY:** Thank you very much for your attention. It has been very good for me to meet and talk with you. And remember that between October and December I will be calling you again. Goodbye for now.

Field	Question	Answer
FAREWELL2	**SAY:** OK [name] we have agreed that I will call you back on [DATESCHEDULECOV4] to conduct this interview, right? Also, before saying farewell I would like to let you know that we will be conducting one extra interview between October and December. **SAY:** [name], you will remember that whenever we have visited you, at the end of the interview, in gratitude for the time that you have given us to answer all the questions, we have given you a money purse, vanity bag, etc., right? **SAY:** This time, as it is not possible to visit the participants in their homes, we will not be able to personally carry and deliver any presents. So, only for this time, at the end of the survey, all participants will be given Rs. 600, which is the approximate equivalent to the value (cost) of the present. (The amount will be sent through any nationalised banks by RTGS or if they don't want to give us their bank account or they don't have one, we will send the amount by "Money Order" and it will take 4 or 5 days to reach them through Post office. In both cases we will send a photo copy of the receipt.) **SAY:** This is the information that I wanted to give you. **SAY:** At the moment, I can tell you that it has been very good for me to talk with you. I will call you again at the agreed time for you to complete the survey. Thanks a lot for now. Goodbye!	

Field	Question	Answer
FAREWELL3	**ENUMERATOR:** Collect and write down all the information you can, including important details that exactly describe the problem/situation (ask how they think it could be solved, if they have done any paperwork or management, or if they are doing something to solve it, what is their greatest difficulty, etc.) **SAY:** I will present your case, will consult with the supervisors and with the people in charge of the Young Lives study, to find out how or who could help you directly. As soon as I get an answer I will call you back. * According to the case and according to the time, set the day/date on which you would be giving the answer. **ENUMERATOR:** Follow up on the case, and it is probable, (depending on the circumstances), that only when everything is "apparently solved" or in "the process of being solved", in a conversation with he/she you will be able to mention/inform them about the future survey that will take place between October and December (DATE OF PHONE SURVEY FIFTH CALL), as well as the retribution of 600 INR in total as a way to show gratitude for their time.	
	<u>further instructions on how to proceed.</u>	

Field	Question	Answer		
FAREWELL4 *(required)*	SAY: [name] don´t worry, your decision is absolutely free and voluntary, we understand and respect it. I would like to let you know that we are going to contact again all the Young Lives participants again to conduct a new phone survey between October - December (DATE OF FIFTH CALL), similar to the one we did last year. We are planning to find out how you and your family are doing and ask you a few questions about your education trajectory, your employment, your health, food consumption, your wellbeing and your household overall. The information that you and the other Young Lives participants will provide us with will be extremely valuable to understand how things are changing and what policies can be effective in improve the situation. The survey will take approximately 45 minutes. Can I call you again and check with you if you are willing to talk to us again? When I call you again (between October and November, DATE OF PHONE SURVEY FIFTH CALL), I will give you a much more extensive and detailed explanation so that you can freely decide whether or not you want to participate in the survey and give us your consent. As we did in the last year, in gratitude of the time you will give us if you decide to participate,at the end of the survey you will be given IN: Rs. 600. The amount will be sent through any nationalised banks by RTGS or if you don't want to give us your bank account or you don't have one, we will send the amount by """"""Money Order""""""" and it will take 4 or 5 days to reach you through Post office. In both cases we will send a photo copy of the receipt. Please let us know your preference. This is the information that I wanted to give you and that when I call you back, I will give you a much broader and more detailed explanation so that you can freely decide whether or not you want to participate in the aforementioned survey.		0	No, don't call me again
			1	Yes, call me
FAREWELL4_NOTE	Ok, I will! At the moment, I can tell you that it has been very good for me to meet and talk with you. I will call you again [between October - December, DATE OF FIFTH CALL]. Thanks a lot for now.

NOTE1	**SAY:** [name] It has been very good for me to talk to you. We are very grateful for your time and the information you have provided us with. Before we say goodbye, I would like to let you know/remind you that we will conduct a new phone survey between October and December (DATE OF FIFTH CALL). I will call you again then to find out how you and your family are doing and to invite you to participate in a new interview for al YL participants with questions about your education trajectory, your employment, your health, food consumption, your wellbeing and your household overall. The survey will take approximately 45 minutes, but when I call you again I will give you a much more extensive and detailed explanation so that you can freely decide whether or not you want to participate in the survey and give us your consent.

Field	Question	Answer		
intro_text	**ENUMERATOR: Start the dialogue with the YLs respondent as follows:** **SAY:** Hello. Good (morning/ afternoon/ night), (are you/ is this) [name]? Hi, I am [fieldworker_name], of the Young Lives Study. The last time (I/ we) talked to you over the phone was back in 2020, how are you? On that occasion, we told you that we would contact you again this year to know about you and your family; and if the situation had improved, we were hoping to visit you, as we had originally planned to do last year. However, we are still experiencing a risky situation and, to our regret, we are once again unable to visit you due to the (Health Emergency/Coronavirus/COVID-19). We hope that you and your family are safe and that this situation will get better soon. As you may understand, you and every YL participant are adults now. Some are still living with their parents and siblings, but others are living on their own or have moved for different reasons. The main purpose of this call is to ask you some questions about your current household composition and update this information. We won't take longer than 15 minutes in this call. As always, all the information that you share with me is strictly confidential (as it has been in the past).			
CNSNT1COV4 *(required)*	**SAY:** [name], do you agree? Will you give me your consent to ask you these questions and update the data/information we have about you?		1	Yes

			0	No

Field	Question	Answer
CNSNT3COV4 *(required)*	**ENUMERATOR:** Explain again the purpose of the conversation and the confidentiality of the information they share with YL. Explain that the information and data collected will only be accessed by researchers and people in charge of the study, and that they won't be able to directly identify each participant, as the data is strictly anonymized. Additionally explain that this data is relevant to be able to communicate with them again, visit them when there is no risk to do so or send them information, etc. **SAY:** What do you think? Would you like to participate?	1 Yes 0 No
CAUSEDTHCOV4	SAY: We are very sad to hear the news that [name] has passed. We are very sorry for your loss. We are very thankful that he/she was part of the YL study for more than 20 years. It was a pleasure getting to know him/her and his/her family during this time. Enumerator: If possible, in a delicate manner try to find out the YL Child's main cause of death or other information related to the YL Child's death and include details in the text box below. SAY: I am sorry again for your loss and wish you and your family all the best at this difficult time. Goodbye.	

Field	Question	Answer
FAREWELL1	**SAY:** [name], don't worry, your decision is absolutely free and voluntary, we understand and respect it. It is necessary that you know that choosing not to participate in this survey doesn´t affect at all your link with Young Lives. This phone survey is now concluded but you are still an important part of the study until you decide not to be. That is why it is important and necessary that you know that, between October and December, I will call you again to invite you to participate in a new phone survey with questions related to you and your household, on the topics of education, health, employment, and wellbeing. The entire survey will take approximately 30-45 minutes. As always, the survey will be done with the consent of each young person and on the day and time that he/she indicates is most convenient for them according to their activities. **SAY:** [name], you will remember that whenever we have visited you, at the end of the interview, in gratitude for the time that you have given us to answer all the questions, we have given you a money purse, vanity bag, etc., right? **SAY:** Since the situation is still difficult and it is still not possible to visit the participants in their homes, we will not be able to personally carry and deliver any presents. So, as we did last year, at the end of the following survey, all participants will be given Rs. 600, which is the approximate equivalent to the value (cost) of the present. I will call you again at the agreed time for you to complete the survey. Thanks a lot for now. Goodbye!	

Field	Question	Answer
FAREWELL3	**ENUMERATOR:** Collect and write down all the information you can, including important details that exactly describe the problem/situation (ask how they think it could be solved, if they have done any paperwork or management, or if they are doing something to solve it, what is their greatest difficulty, etc.) **SAY:** I will present your case, will consult with the supervisors and with the people in charge of the Young Lives study, to find out how or who could help you directly. As soon as I get an answer I will call you back. * According to the case and according to the time, set the day/date on which you would be giving the answer. **ENUMERATOR:** Follow up on the case, and it is probable, (depending on the circumstances), that only when everything is "apparently solved" or in "the process of being solved", in a conversation with he/she you will be able to mention/inform them about the future survey that will take place between October and December (DATE OF PHONE SURVEY FIFTH CALL), as well as the retribution of 600 INR in total as a way to show gratitude for their time.	
	<u>further instructions on how to proceed.</u>	

Field	Question	Answer		
FAREWELL4 *(required)*	SAY: [name] don´t worry, your decision is absolutely free and voluntary, we understand and respect it. I would like to let you know that we are going to contact again all the Young Lives participants again to conduct a new phone survey between October - December (DATE OF FIFTH CALL), similar to the one we did last year. We are planning to find out how you and your family are doing and ask you a few questions about your education trajectory, your employment, your health, food consumption, your wellbeing and your household overall. The information that you and the other Young Lives participants will provide us with will be extremely valuable to understand how things are changing and what policies can be effective in improve the situation. The survey will take approximately 45 minutes. Can I call you again and check with you if you are willing to talk to us again? When I call you again (between October and November, DATE OF PHONE SURVEY FIFTH CALL), I will give you a much more extensive and detailed explanation so that you can freely decide whether or not you want to participate in the survey and give us your consent. As we did in the last year, in gratitude of the time you will give us if you decide to participate,at the end of the survey you will be given IN: Rs. 600. The amount will be sent through any nationalised banks by RTGS or if you don't want to give us your bank account or you don't have one, we will send the amount by """"""Money Order""""""" and it will take 4 or 5 days to reach you through Post office. In both cases we will send a photo copy of the receipt. Please let us know your preference. This is the information that I wanted to give you and that when I call you back, I will give you a much broader and more detailed explanation so that you can freely decide whether or not you want to participate in the aforementioned survey.		0	No, don't call me again
			1	Yes, call me
FAREWELL4_NOTE	Ok, I will! At the moment, I can tell you that it has been very good for me to meet and talk with you. I will call you again [between October - December, DATE OF FIFTH CALL]. Thanks a lot for now.			
WTHDRW1RSNCOV4 *(required)*	ENUMERATOR: Please provide with a detailed explanation on the reasons for withdrawal from the phone survey			
FAREWELL5 *(required)*	SAY: [name]. don´t worry, your decision is absolutely free and voluntary. Finally, we still hope we will be able to visit you in person again in the future. It would be great to see you again and find out how you and your family are doing. Is that ok if we contact you as soon as we know when we will be able to get back to the in-person visit (possibly in 2022 or 2023)?		0	No, I am not longer interested in being part of the study
			1	Yes, contact me

NOTE1	**SAY:** [name] It has been very good for me to talk to you. We are very grateful for your time and the information you have provided us with. Before we say goodbye, I would like to let you know/remind you that we will conduct a new phone survey between October and December (DATE OF FIFTH CALL). I will call you again then to find out how you and your family are doing and to invite you to participate in a new interview for al YL participants with questions about your education trajectory, your employment, your health, food consumption, your wellbeing and your household overall. The survey will take approximately 45 minutes, but when I call you again I will give you a much more extensive and detailed explanation so that you can freely decide whether or not you want to participate in the survey and give us your consent.

TIMEDAY2COV4	**SAY:** Is it easier to reach you in the mornings, afternoons or evenings? *ENUMERATOR: Read options and mark all that apply*		1	Mornings
			2	Afternoons
			3	Evenings (after dinner)
NOTE2_incentives	**SAY:** You will remember that whenever we have visited you, at the end of the interview, in gratitude to the time that you have given us to answer all the questions, we have given you a money purse, vanity bag, etc., right? Since the situation is still difficult and it is still not possible to visit the participants in their homes, we will not be able to personally carry and deliver any presents. So, as we did last year, at the end of the survey, all participants will be given Rs. 600, which is the approximate equivalent to the value (cost) of the present.The amount will be sent through any nationalised banks by RTGS or we don't want to give us your bank account or you don't have one, we will send the amount by "Money Order" and it will take 4 or 5 days to reach them through Post office. In both cases we will send a photo copy of the receipt. Please let us know your preference.
