Read the information given and answer the following four questions

The duck- billed platypus is a strange animal. It has four legs and is furry. It has a beaver's tail as well as the webbed feet and the beak of a duck.

It lays eggs like a bird but lets the young ones drink its milk like some other animals. As if all these things are not enough, it has an attraction for electric charges.

The platypus lives on live prey - worms, frogs, snails and tiny fish. When it dives into the water, its eyes are shut, and the eyelids cover the ear holes also making it deaf and blind under water. Then how does it locate its prey?

All living things give out minute electrical charges. Whenever a fish taps its tail, this tiny charge increases by a tinier amount. The platypus can identify these tiny changes in electrical charges and can use these signals to locate its prey.

33 Which part of the platypus looks like a bird?

A tail
B beak
C eyes
D head

34 This passage was written to give people information about _____.

The following statements relate to what you think teachers are able to achieve. Please read the statements carefully and tick the box which shows how you feel about each statement

E	Statement	Strongly disagree	Disagree	Agree	Strongly agree
1	If I really try hard, I can get through to even the most difficult or unmotivated students	01	02	03	04
2	When a student does better than usually, many times it is because the teacher exerts a little extra effort	01	02	03	04
3	My lessons have little influence on students compared to the influence of their home environment	01	02	03	04
4	The amount a student can learn is primarily related to family background	01	02	03	04
5	If students aren't disciplined at home, they aren't likely to accept any discipline	01	02	03	04
6	I have not been trained to deal with many of the learning problems my students have	01	02	03	04
7	My teacher training program and/or experience did not give me the necessary skills to be an effective teacher	01	02	03	04
8	When a student is having difficulty with an assignment, I often have trouble adjusting it to his/her level	01	02	03	04
9	When a student gets a better grade than he/she usually does, it is usually because I found better ways of teaching that student	01	02	03	04
10	When I really try, I can get through to the most difficult students	01	02	03	04

E	Statement	Strongly disagree	Disagree	Agree	Strongly agree
11	I am very limited in what I can achieve because a student's home environment is a large influence on his/her achievement	01	02	03	04
12	Teachers are not a very powerful influence on student achievement when all factors are considered	01	02	03	04
13	When the grades of students improve, it is usually because their teachers found more effective teaching approaches	01	02	03	04
14	If a student masters a new concept quickly, this might be because the teacher knew the necessary steps in teaching that concept	01	02	03	04
15	If parents would do more for their children, teachers could do more	01	02	03	04
16	If a student did not remember the information I gave in a previous lesson, I would know how to increase his/her retention in the next lesson	01	02	03	04
17	If a student in my class becomes disruptive and noisy, I feel assured that I know some techniques to redirect him/her quickly	01	02	03	04
18	The influences of a student's home experience can be overcome by good teaching	01	02	03	04
19	If a student couldn't do a class assignment, most teachers would be able to accurately assess whether the assignment was at the correct level of difficulty	01	02	03	04
20	Even a teacher with good teaching abilities may not make a difference for many students	01	02	03	04
